From The Principal

Dear Students:

Life today is becoming increasingly complex for all of us regardless of our age, experience, or status. Most of the complex situations we face involve other human beings. How can we satisfactorily deal with life's complexities involving our fellow men and still maintain a happy, healthy, and positive attitude toward life? I believe that we can accomplish this by just being human. This simply means that we must always strive to treat all those with whom we come in contact with dignity, respect, tolerance, understanding, patience, and love.

If we function as complete human beings, we should always have peace of mind.

Russell K. Noyes
Principal

Superintendent

Mr. Jesse J. Morgan is completing 45 years service in public school education.

He came to our System, an experienced Administrator, in July 1957.

A graduate of Dartmouth with an Ed.M. Degree from Harvard, he had served as principal in New Hampshire and held Superintendencies in Hinsdale, Monson, Auburn and Saugus, Massachusetts prior to coming to the Chatham-Harwich School Supervisory Union. For eleven and one-half years he held the position of Superintendent of the schools in Chatham and Harwich — since January 1969 in Harwich alone.

Mr. Morgan carries membership in the Mass. Association of School Superintendents, The New England Superintendents' Association and the American Association of School Administrators. He was for many years a member of Rotary Clubs and is now a member of the Central Cape Kiwanis Club. He is active in the work of the First Congregational Church of Harwich, having served on the Board of Trustees and as Moderator.

Mr. Morgan would note among accomplishments during thirteen years with the local schools as most important:

School services expanded and additions of Clinical Speech, Remedial and Developmental Reading, School Adjustment Counselling, a complete new Curriculum Grades K-12; improvements of the school plant, and the planning and completion of the new Harwich Jr-Sr. High School. He served as Educational Consultant to the Building Committee on the new school construction program.

Soccer

The 1970 soccer season was highly competitive. The Harwich record left something to be desired, but the enthusiasm and high spirit on the team was a credit to the school and the coaching staff. We felt honored in having Billy Crowell chosen for the All Cape All Star League and Jody McCauley, Jeff Willbanks, Steve Caplice, Greg McDonald and Billy Crowell chosen for the All Star Game.

Track

Harwich's first few years of track have been successful. We have had such stars as Cyd Zeigler, Craig Morris, and Dave Blackmore leading, breaking the records and inspiring their teammates on to victory. This year was no exception. Although Harwich didn't take the championship we did place high in the final standings.

GIRLS' BASKETBALL TEAM 1970-71

The girls' basketball team this year was a success not in the terms of a winning season but in the terms of a closely knit group of girls that gave a 100% effort on the floor. They improved greatly as the season progressed, especially in getting used to the new rules where more running was required of all the girls. The final record for the season was seven wins and eleven losses. The league record was five wins and seven losses, good enough for fourth place. We ended the season with a very gratifying win over Nauset, 29-28, which knocked them out of second place. The play of our seniors was outstanding, led by Dayle Lawrence, our captain, who scored 186 points for the season. Mary Swanson was our starting forward who improved greatly throughout the season and did an excellent job. Claire Piersall was our starting center who controlled the backboards in all our games and without her we would have been lost. Noella Vagenas was our other starting guard who, in mid-season, had a scoring slump but snapped out of it at Nantucket and scored very well for the rest of the season. Donna Gomes, the only underclassman on the starting five, improved greatly as she developed some confidence in herself. Donna is just a sophomore and we are looking forward to two more seasons with her. Debbie Thayer was our sixth girl who broke her hand early in the season and didn't play until the last two games of the year. Debbie stayed with the team even though unable to play and offered moral support all year. Pat Hennessey, Valorie Vagenas, Valorie Lopes, Winnie Peterson and Leslie Hurst were the other members of the varsity who will take over next year.
